

MEDICAL OFFICER/GP – DUAL ROLE POSITION

Gore Health is looking for a Medical Officer/GP with at least three years' experience in family and emergency medicine to work in our rural hospital and GP practice in the beautiful deep south of New Zealand. If you are looking for a laid back lifestyle and enjoy working in a fun team environment this is the job for you.

This is a permanent full time position, commencing May/June 2015. Applications for this position must hold (or be eligible to hold) registration with the Medical Council of New Zealand.

Benefits include:

- Excellent remuneration
- Minimal on-call
- Car supplied
- 22 days annual leave per year
- Generous CME allowances
- Relocation expenses
- Accommodation is provided and paid for the first three months

Gore Health operates an integrated family health facility with a 20 bed hospital, 24/7 Emergency Department services, a private GP practice and dental practice. We have plenty of wide open spaces, rivers, mountains, oceans, the best fishing and hiking, and are close to the attractions of Queenstown and the Lakes District – the adventure capital of New Zealand with all its outdoor pursuits. We are also only an hour away from the sea and the attractions of the southern coast and Stewart Island. Our local river, the Mataura, has the reputation of being the best brown trout fishing river in the world. Our environment is clean, green, safe and family-friendly and we have a leisurely affordable lifestyle. We also have great schools and many sporting and cultural facilities.
